

CREDIT REPORT AUTHORIZATION

I hereby authorize CFS MORTGAGE CORPORATION to obtain a tri-merge "in-file" credit report through a credit reporting agency of their choice. It is my understanding that if a mortgage loan transaction results from this effort, a reasonable and customary fee for this report may be collected from me at the time of closing.

The undersigned hereby requests that a copy of the credit report be sent to his/her attention in a confidential envelope using the address listed below. He/she also agrees to hold CFS and the underlying credit reporting agency harmless regarding any derogatory information contained in the report. The undersigned also accepts responsibility for this security and protection of the confidential data contained in the report once it leaves our office.

Any reproduction of this credit report authorization made by CFS via reliable means (ie: photocopy, scanner or facsimile) shall be considered an original for the sole purpose of expediting the processing of this request.
